

The Law and Policy of Sentencing and Corrections in a Nutshell (Paperback)

By LYNN BRANHAM

West Academic, United States, 2017. Paperback. Condition: New. 10th Revised edition. Language: English. Brand new Book. An excellent reference tool, this book explores a range of sentencing-related topics, including the principal purposes of criminal sentences, restorative justice, guilty pleas and plea bargaining, rights during sentencing proceedings, sentencing factors, different ways to structure sentencing systems, community-based sentencing options, the death penalty, Eighth Amendment constraints on sentences in noncapital cases, parole release, probation and parole revocation, and enmeshed penalties (often called the "collateral consequences" of a conviction). The latter half of the book contains a helpful and illuminating overview of the constitutional rights of prisoners, the mechanics of litigating incarcerated persons' 1983 suits, and the remedies available to them.
